Traffic Engineering

INDEX, VOLUME XXIV
October 1953 — September 1954

Compiled by Martin C. Stark, Associate Technical Editor

ARTICLES

ACCIDENTS
- Number and Distribution of Minor Property Damage Accidents 13
- The Pennsylvania Turnpike Joint Safety Research Project 126

ADMINISTRATION
- Traffic Control in a City Manager City 443
- Traffic Operations in Kansas City, Mo. 449

CITY PLANNING
- City Planning and Traffic in Kansas City 454
- The Plan of Washington, D. C. 157
- Redevelopment and Traffic 54
- Shopping Centers 52

CONTROL DEVICES AND METHODS
- The Field of Modern Interconnected Traffic Control Signals 236
- Human Engineering for Traffic Safety (Signs) 10
- New Overhead Signing Used on Boston Parkway 47
- Pedestrian "Scramble" Control 413
- Production Up, Cost Down, for This Sign Shop 129
- Reversible Sign Technique 415
- Signalization Priority in Los Angeles County 319
- Traffic Controls in the Vicinity of School Zones
  - Part I 201
  - Part II 239

ILLUMINATION AND VISIBILITY
- Kansas City, Mo., Street Lighting Modernization Program 476
- Light and Night Traffic Accidents 16

LAWS, REGULATION AND ENFORCEMENT
- Proposed Revisions of the Uniform Manual 285

MOTORISTS
- Driver Characteristics and Highway Operation 49

PARKING AND TERMINALS
- Area of Influence of Lots and Garages 198
- Attendant-Parking vs. Self-Parking 280
- Merchants Merry Go Round 495
- The North-Side Redevelopment Parking Project 463
- Off-Street Parking for Kansas City 459
- Parking and Its Importance to the Downtown Business District 89
- A Parking History of the Country Club Plaza 472
- A Spot Study of Reservoir Space and Car Handling Operations 161
- A Study of the Pigeon Hole Mechanical Garage at H. S. Manchester, Inc., Madison, Wis. 406

STREETS AND HIGHWAYS
- Barrier System Toll Roads—Their Merits 277
  - Letter to Editor 434
- The Car and the Road 233
- Development and Needs of Virginia Highways 370
- The Economy of Freeways 83
- The Engineer's Relation to Highway Transportation 359
- Highway Development in the State of Texas 315
- The Missouri State Highway Expressway Program 480
- New Challenge to Scientific Toll Collection 7
- Toll Bridges in the Kansas City Area 485
- The Most Comprehensive Study Ever Undertaken 195
- Public Opinion Survey Methods as Related to Certain Phases of Traffic Engineering 119

TRAFFIC ENGINEERING
- Highway and Traffic Problems in Unincorporated Areas of Los Angeles County 403

TRANSIT
- Transit Is Tied Up in Traffic 467

TRANSPORTATION
- Urban Transportation Problems 87

NEWS ITEMS

ACCIDENTS
- Accident Classification Manual Revised 208
- Do Flashing Beacons Reduce Accidents? (Reference Notes) 139
- The Engineer Is Made the Scapegoat (Editorial) 45
- New Jersey Turnpike Accident Record 207
- Travelers Company Releases Traffic Statistics 295

CITY PLANNING
- Philadelphia Needs a Master Plan 265

CONTROL DEVICES AND METHODS
- Everybody Wants a Light (Editorial in Toledo Blade) 65
- First Traffic-Actuated Signal (Letter to Editor) 348
- Mobile Display Brings Modern Traffic Control to the Nation 18
- New Aluminum Signal Post 387

LAWS, REGULATION AND ENFORCEMENT

Meeting of National Committee on Uniform Traffic Laws and Ordinances (Secretary's Column) 217
St. Paul Truck Route Ordinance (Letter to Editor) 97

MEETINGS AND ORGANIZATION ACTIVITIES

Businessmen's Conference on Urban Problems 175
Conventions — Conferences — Meetings 32
Greater New York Safety Council Convention, 24th 206
Highway Safety Research Committee 23
Highway Transportation Congress, 5th (Pictures) 343
IRF Sponsors European Lecture Series by D. C. Greer 336
Illinois Traffic Engineering Conference, 6th 32
Looking Ahead (Convention Dates) 33, 65, 109, 146, 175, 260
National Conference on Highway Financing 172
Purdue University Conference 206
Texas Establishes Highway Transportation Research Program 26
Urban Land Institute Sponsors Contest 252

MOTORISTS

Automobile Driving and Drugs 25

NEW PRODUCTS

Crouse-Hinds Floodlight Lights Areas Next to Buildings 62
"Durasigns" Are New Idea 105
Duro-O-Line Markers Used for New York City 104
"EZ-ON" Traffic Sign Faces 221
IBM Develops New Toll Collection and Audit System 345
Machine Paints Curb 304
Millions of Plexiglas Lenses Make Super Highways Safer 255
National Road Markers Installed at 75 per Man per Hour 257
New Actuated Controllers 23
New Automatic Parking System Introduced 257
New Curb Machine Used in North Carolina 425
New Dual Drive Adapter 101
New "Glow Striper" With Unique Features 221
New Speed Meter by Streeter-Amet 222
New Type Lighting Standard 304
Operation Reflecto-Liner 210
Farkit-Lockit Company Proposes "Nickel-Feeder" Cure 256
Plywood Signs Cut Replacement Costs 346
Radar Apparatus Gives Green Light to Street Most Crowded With Cars 425
St. Paul Tries New Signal Preemption System 431
Strapping Bus Route Identification Signs 345
Strictly Business 221, 255, 301, 345, 387, 431
Sy-Loy Will Last 304
Trafficones Celebrate 10th Birthday 62
"Vary-Tally" New Veeder-Root Counter 255
Wald Equipment on Parade 303

PARKING AND TERMINALS

Chicago's $50 Million Off-Street Parking Program Well Under Way 333
Court Upholds City's Parking Program 426
Detroit's New Center Has Unique Traffic and Parking Program 335
Harrisburg Studies Aid to Private Enterprise Parking 427
New York City Buys 15,000 More Parking Meters 51
Parking at Royal Agriculture Society's Show 65
Parking Meters Are Big Business Everywhere 62
Parking Programs Stir Interest 323
"Shoppers' World" in Bankruptcy 160
Significant Features of Chicago's First Underground Garage 333
Summary of Current Off-Street Parking Developments 165
Topeka Will Operate Parking Garage and Lot 427

PERSONNEL

Adler, Signal Pioneer, Honored 428
Howard Wins "Getting Results" Contest 294
Nowell Drafted (Secretary's Column) 435
New Appointments
Barnes, Henry A. 61
Bruce, John A. 109
Bunch, John H. 253
Carsten, Winston H. 61
Gilman, Roger H. 253
Haley, Charles E. 342
Hammond, Daniel S. 39
Hanson, Daniel J. 211
Holmes, Robert S. 211
Ristroph, Paul L. 342
Seburn, Thomas J. 432
Tuttle, Lawrence S. 109
Obituaries
Blanchard, Arthur H. 31
Carter, Frederick M. 305, 329
Miller, Wilbur H. 393
Morris, R. Wayne 110, 147
Neal, Harry 215
Transeau, T. Elmer 329
Williams, Grant E. 392
Williams, Stuart R. 141
Personal Notes 180, 297
Personality — Cherniack, Nathan 30
Positions Available 60, 109, 147, 187, 256, 261, 262, 304, 346, 385, 428
Potts, Inventor of Signal, Retires 213
Waters Receives Award 212

SAFETY

Fort Monmouth Safety Program 174
The House Fly and Highway Safety 26

STREETS AND HIGHWAYS

Barrier System Toll Roads (Letter to Editor) 434
Carbon Monoxide Analyzer Provides Fully Automatic Tunnel Ventilation (Reference Notes) 171
Federal-Aid Highway Act (Editorial) 357
New River Crossing at Kansas City 141
New York Thruway 341
Philadelphia Road Plan Proposed by Experts 340
